Subject: Offsite Tomorrow

All –

Late today Valerie and the TD (Allen) were called to brief Dr. Zangardi (DASN C4I) down at the pentagon tomorrow morning. They have been planning a series of transition workshops this week, and Valerie/Allen asked me to facilitate the discussion tomorrow (between NAVSUP, SPAWAR, the PMO, and resource sponsor) aimed at coming up with plan for staffing in sustainment and determining how money will flow from opnav to sustainment organizations. The workshop kickoff is at 0830 tomorrow, there is a break for working groups, then the transition leads from all 4 organizations meet from 10-4.

I understand the importance of our teambuilding offsite tomorrow, however I also want to deliver on our obligation to advise ERP leadership through the transition to sustainment. I think this is especially important as we get ready for the recompute.

Please let me know if you have issues or concerns, otherwise I will be facilitating in Annapolis tomorrow. Thanks.
